Dear Mr. Betre:

On behalf of the Naval Criminal Investigative Service (NCIS), Department of the Navy Central Adjudication Facility (DON CAF), I want to express my most sincere appreciation and utmost gratitude to you for your dedicated support to the mission of the DON CAF.

Since you were awarded the contract to manage the DON CAF Adjudicative Support Branch (ASB) in February 2006, your staff has done a remarkable job processing critical security clearance information for our adjudicators. I would like to specifically recognize the significant role you have played in enabling the DON CAF to be the leading adjudicative facility in the Department of the Defense. The DON CAF has far exceeded requirements mandated under the Intelligence Reform and Terrorism Prevention Act (IRTPA) of 2004, and your dedicated service has greatly contributed to that special distinction. During your tenure under this contract, our case balance on hand has decreased from 21,791 at the end of fiscal year 2006, to 13,894 in 2010. Ultimately, your role in managing the DON CAF ASB has facilitated quick and accurate security clearance responses in support of Navy commands worldwide. In addition, you displayed tremendous flexibility and teamwork by quickly adjusting procedures in accordance with our December 2009 database transition to the Case Adjudication Tracking System (CATS).

Again, thank you for your many outstanding contributions to the NCIS, the DON CAF, and our customers. Please accept my sincere thanks and appreciation for a job well done!

Sincerely,

R. B. PEELE
Director
